

Tempered Glass Manufacturing Standards and Disclaimer:

A. Tempered glass manufactured by Source Direct conforms with applicable industry standards, which may include ASTM C 1036; ASTM C 1048; 16 CFR 1201; ANSI Z97.1; and CAN/CGSB-12.1.

B. Tempered glass may contain foreign matter, including, but not limited to, undissolved batch elements, fire brick particles from the glass furnace, or nickel sulfide stones or inclusions ("Foreign Matter"). The presence of Foreign Matter does not render the glass defective. Under some conditions, spontaneous breakage of tempered glass may occur, which can be caused by damage to the glass after installation (such as scratches, chips, or gouges on the surface or edge of the glass) or Foreign Matter. Source Direct does not warrant its glass against the presence of Foreign Matter or breakage of any kind or cause, including but not limited to, spontaneous breakage, breakage due to the presence of Foreign Matter, breakage due to damage to the glass, or any other cause. All parties to this agreement understand and accept that tempered glass is susceptible to breakage due to these and other causes. By placing or proceeding with any order for tempered glass from Source Direct, the purchaser hereby agrees to: (i) not hold Source Direct responsible for any costs, damages, or injuries, including incidental or consequential damages, personal injury, or repair/replacement labor, due in whole or in part, directly or indirectly, to glass breakage of any kind; and (ii) indemnify and hold Source Direct harmless from any costs, damages, or injuries sought by third parties.

C. No document (including but not limited to, architectural or engineering specifications, quotations, bid packages, purchase orders, or correspondence) or oral representation or agreement, purporting to define the presence of nickel sulfide in tempered glass as a defect, or purporting to require a warranty against breakage, including spontaneous breakage, will be binding on Source Direct. The only warranty offered by Source Direct on tempered glass is that which appears, if any, in Source Direct's standard terms and conditions of sale, which are incorporated herein by reference. No Source Direct salesperson or other employee or representative is authorized to vary the terms of such warranty or this Disclaimer, other than an officer of the company, and then only in writing.

D. EXCEPT FOR ANY EXPRESS WARRANTIES REFERENCED ABOVE, THERE ARE NO EXPRESS OR IMPLIED WARRANTIES AND THERE ARE NO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE WITH RESPECT TO TEMPERED GLASS AND NO WARRANTY WILL BE IMPLIED BY OPERATION OF LAW OR OTHERWISE.

E. IF YOU DO NOT UNDERSTAND AND ACCEPT THE TERMS OF THIS DISCLAIMER, DO NOT PLACE OR PROCEED WITH ANY ORDER FOR TEMPERED GLASS FROM SOURCE DIRECT.
